### lunch:

Optional lunch provided by OJ's Café: £3.50 per day.

### booking:

Places are strictly limited in both age groups. Booking in advance is therefore essential and is on a first-come-first-served basis.

An additional charge of £5 per 30 minutes will apply for late pick up of children.

### notes for parents:

Registration is held next to the Athletics track for all children from 8-9am. A parent or guardian must accompany their child/children for registration and collection. If you wish to make other arrangements for your child/children, we must have these arrangements in writing. The nominated alternative must be able to provide proof of identification before the relevant child/ren can leave the programme.

Please note that the collection time for your child/ren is 12.30pm (half days) or between 5 and 6pm (full days). Afternoon drop-off is 12.30pm

On collection, you will be asked to sign our register to confirm that you have collected your child/ren. Please ensure prompt collection of your child/ren as extra charges may be incurred if you are late in picking them up.

Supervised swimming sessions will only be available for the 8-12 year old age group, provided that your child/ren can swim unaided. Swimmers will need to supply a costume and towel. These sessions are fully supervised but are optional - alternative activities will be available for those not wishing or able to swim.

Please ensure that our staff are informed of any medical conditions and medicines your child may require. If your child/ren require any medicine, please note that they will need to administer it themselves. A staff member will be responsible for the time of administration and will ensure that the child/ren administers their own medicine.

Packed lunches are available at an additional cost of £3.50. Otherwise, please ensure that your child/ren brings their own lunch for each session.

Places are limited. Please book and pay at reception in advance to avoid disappointment. If you need to make a cancellation, you must do so 48hrs prior to the session to receive a refund.

We reserve the right to change the programme without notice.

Additional activities taking place within day camp hours can be booked by participants, for an additional charge (half price to advertised session cost). It is advisable to book in advance. A session ticket must be left with a Day Camp staff member when signing in for the day camp.
