Services Directorate  
Anthony Leonard MBA, MA  
Director

To all Swimming Pool users and School Parents.

14 Beeching Road  
Bexhill-on-Sea  
TN39 3LG

Dear Sir or Madam,

The number of people who park in the car park but do not use the sports facilities at Rye Swimming Pool has been increasing over the past year or so. This matter has escalated to the extent that at various times each week swimming pool customers cannot park at all.

To allow the Council better control over how the car park is used, a pay and display system is proposed for implementation later this year.

#### **Swimming Pool Customers**

Swimming Pool Customers will receive a refund of their parking charge.

#### **School Parents**

The pay and display system will not be enforced between 8.00am and 9.00am (drop off time) and again between 3.00pm and 4.00pm (pick up time).

The pay and display proposals are currently being advertised locally so that a final decision may be taken by the Rother District Council Cabinet this Spring.

Please refer to the notices in the car park for further detail about the proposed scheme.

Yours sincerely,

Madeleine Gorman  
Head of Amenities
